Make the right choice

Buying a new energy efficient boiler is a big commitment, which usually requires research to make sure you are getting the right boiler for your home.

When choosing your new boiler, you want to have peace of mind that it'll last for years to come. We supply a wide range of boiler brands, but our brand of choice is **Worcester Bosch**. Worcester Bosch have for the 11th time been voted the best gas boiler by Which?

Your Local Worcester Bosch Installer

As your local Worcester Bosch accredited installer we are here should you be considering replacing your old boiler.

As a business, we believe in delivering an exceptional level of service to all our customers. We do not baffle you with technical jargon, just helpful advice so you can make the right decision.

100% Customer Satisfaction

We value our customers and as such prioritise our customer service and quality of work. We have a simple but effective approach, striving to ensure our customer's needs are met and all our staff have a personal and friendly approach.

- Worcester accredited installer
- Gas safe registered
- Committed safe in your home Installer
- Fast response to emergencies
- Friendly team and exceptional customer service

Award-Winning

In the 2021 Boiler Brands report carried out by Which? Worcester Bosch scored brilliantly once again, being awarded **Which?** Best Buys across our entire Greenstar Gas and Oil boiler ranges.

Worcester Bosch performed exceptionally where it matters, notably for reliability, build quality, customer score and recommendation.

Up to 12 Year Guarantee

Boiler warranties & guarantees are designed to provide you with an added sense of peace of mind in knowing that your boiler is covered in the event of a breakdown or fault.

If a fault or breakdown occurs with your boiler during its warranty or guarantee period, the manufacturer should organise a repair or replacement.

Safe In Your Home

The UK's leading boiler brand Worcester Bosch have created guidelines and communication tools which are designed to help installers demonstrate that a safe and secure environment is their focus for any boiler installation and maintenance.

With this, you can now have **complete peace of mind** that they are doing everything they can to keep you and themselves safe.
